Page 18 On page 18 in the “Drawing Procedures” section, the brochure states that the “drawing results will be posted live during the drawing on the DNR web site at <http://landsales.alaska.gov/> beginning on Tuesday, November 5, 2019 at 10:30 a.m.” Due to technical difficulties, we will not be able to post live results during the drawing process. We will post the results after the drawing is completed.

Page 36 On page 36 in the “Offering #14 Schedule” section, the specific date and time for the drawing should be Tuesday, November 5, 2019 at 10:30 a.m., not Wednesday, November 5, 2019 at 10:30 a.m.

Pages 1, 3, 4, 18, 33, and 36 On pages 1, 3, 4, 18, 33, and 36 in the Brochure, the date of the drawing was listed as November 5, 2019. The drawing was held on November 5, 2019, and shortly thereafter the results were posted to the Land Sales website. It was determined that five manual drawing applications were properly received and inadvertently omitted from the drawing. Land Sales is obligated, as noted in the brochure, to make a correction to ensure that all applications submitted in good faith and received within the application period are treated equitably. Land Sales will conduct the drawing for Offering #14, with all vetted applications, on November 6, 2019. Results will be posted to the Land Sales web site at <http://landsales.alaska.gov/>.
